

Dear Valued Customer:

At Futureware, we're working to improve our service to you!

To make our invoicing system more efficient and user-friendly we have now began to email Futureware invoices directly to you. The emails will be sent from our Omaha office with the subject line being Futureware Distributing Invoice. This will allow you to quickly identify our invoices so they will not be confused with SPAM.

Please respond with your preference below either by fax (402-333-8152) or email to Marc Sherman, marcs@futurewareinc.com.

Thank you for your business!

Sincerely,

Marc Sherman
